

## BAPTISTS WILL UNITE CHURCHES

Consolidation of First and East Side Congregations Formally Approved.

### PLAN HANDSOME EDIFICE

REV. MR. BOWERMAN WILL BE THE PASTOR, IT IS SAID.

Baptists of Salt Lake have agreed to consolidate the First Baptist church and the East Side Baptist church and form one strong congregation. The name of the new church has not been decided upon, but it has been suggested that it be called the Central Baptist church.

The deacons of the two churches will hold a joint meeting early this week, at which arrangements will be made for a joint meeting of the two congregations so that arrangements for the consolidation can be completed.

It is considered probable that the united congregations will decide to erect a fine church upon the corner of Second South and Fourth East streets, the property there being owned by the First Baptist church.

The consolidation of the two Baptist churches has been under consideration for several weeks.

#### Submitted and Approved.

Last Wednesday evening, after prayer meeting in the East Side Baptist church, the proposed consolidation was submitted to the congregation and was unanimously approved. Yesterday morning the matter was submitted to the congregation of the First Baptist church by J. E. Berkeley, chairman of the board of deacons, at the close of the service, and was again unanimously approved.

Nothing now remains to be done but arrange the details of the union of the two congregations.

The First Baptist church was organized about twenty-five years ago. A house of worship was built at the corner of Second South and Second West streets, but the property was sold some time ago and it now belongs to the Crane company. About \$25,000 was paid for the property. The old church building is still standing, but it is to be torn down so that the new warehouse and salesroom of the Crane company can be built.

Rev. D. A. Brown, who was pastor of the First Baptist church for seven years, resigned a short time ago because of failing health, and was east for a rest. The pastorate has not been filled, but Rev. L. E. Trower has occupied the pulpit since Mr. Brown's departure.

After selling the old church property the First Baptist church bought the property at the corner of Second South and Fourth East streets for \$12,500. Advances in real estate values since the purchase of the property have made the corner worth considerably more than was paid for it.

#### Bowerman May Be Called.

As the congregation has not yet erected a new church, services have for some time past been conducted in the Temple Hotel.

The East Side Baptist church, which was organized about fourteen years ago, owns the property at the corner of Third South and Third East streets, upon which the church building stands. The pastor, Rev. Louis S. Bowerman, who was called to the pastorate of the church, will be called to the pulpit of the united church.

When the organization of the new church is completed, and the property of the two congregations is united, it is understood that a fine church building is to be erected.

The union of the congregations was decided upon, it is said, because it is believed that one large congregation can accomplish more than the two present Baptist organizations.

## MAKES MEAKIN LIFE MEMBER

Salt Lake Aerie of Eagles Appreciates Work of Its Representative in Field.

The home-coming of John P. Meakin was an event in Eaglesdom in Salt Lake. Mr. Meakin has just returned after a trip through Ohio, Indiana, Illinois and adjacent states as a special representative of President Theodore Bell, who was at the head of the Eagles' organization until the recent convention in Seattle chose his successor. Mr. Meakin is a member of Salt Lake Aerie. His mission in the east was not to reorganize aerie, but to stimulate interest among the lodges that already were organized.

Last night Mr. Meakin, in Eagle's hall, told of his trip and its results, his experiences and the growth of the order in the east.

Mr. Meakin interspersed his remarks with here and there a bit of recitation, at which he is an adept. He was humorous at times, though serious in the main.

Before the address of Mr. Meakin he was presented with a life membership in the aerie. The address of presentation was delivered by H. S. McCann, the worthy vice president of the local aerie.

In addition to the address of Mr. Meakin and the presentation of the life membership of esteem, a musical program was given. Miss Virginia Smith gave a piano solo, Miss Edna Edmonds a vocal solo, Master Carl Poll a violin solo, Joseph Poll a vocal solo. At the conclusion Mr. Meakin recited "The Lord's Prayer," by Judge C. C. Goodwin.

## PLAN OF VOTATION

"Uncle Jesse" First Choice and No Second Choice With Many Delegates.

### SANPETE HAS CANDIDATE

COUNTY WANTS SUPERINTENDENT OF PUBLIC INSTRUCTION.

Democrats from the southern part of the state began to reach Salt Lake yesterday. Among them was Jesse Knight, a strong contender for the nomination of the party's candidate for governor, Utah may be placed in the Democratic column, where it belongs. Some of the southern delegates expressed marked friendliness for Lyman K. Martineau and believe his earnest work as state chairman entitles him to consideration.

Most of the delegates who will journey to Logan to vote for the state chairman of the judicial district, whose convention will be held in the Cullen hotel at 10 o'clock this morning. Judge Ferdinand Erickson will be nominated by the convention. He carried the district four years ago in spite of a Roosevelt majority in the district amounting to 2,800, and has administered the judgeship so well and conscientiously that no one in the district has been able to unseat him.

Boz Candian's Sanpete machine is willing to go to any length to replace him with a machine nominee. The seven district comprises Sanpete, Carbon, Grand, Emery, Uintah and San Juan counties. There will be nomination for the office of district attorney. Democratic lawyers are scarce in the district, and the only ones possessing the ability to fill the office acceptably refuse to accept a nomination.

For this reason it is altogether probable that the place will be left vacant, so that District Attorney Woods will be re-elected without opposition.

"Uncle Jesse" badges will make their appearance today. One thousand were ordered on Saturday by some Knight enthusiasts, and they will be ready for distribution this morning at the state convention. The Knight boom is the only thing now talked of in political circles. Democrats and Republicans are equally interested. The federal machine is exerting every influence to bring pressure to bear on Mr. Knight that may induce him to decline the nomination, while the Democrats, believing him a certain winner, rely on him to yield to a demand of his party, which is unquestionably sincere and universal.

Sanpete county will have a candidate in the county convention to be held at Richfield. It will ask for the nomination of D. H. Robinson, principal of the Mant high school, as superintendent of public instruction. Mr. Robinson is a graduate of Brigham Young university and the university of Utah, and has spent many years in Utah county before moving to Sanpete.

S. R. Thurman may yield to the wishes of his friends and become a candidate for the nomination of attorney general.

W. J. Korth of this city, a well known politician, who has been active in several campaigns, had a real live boom started yesterday for the auditorship.

Judge W. H. Jones returned yesterday from southern Utah. He made an absolute and unqualified refusal to permit the use of his name for the nomination for congress.

Delegates to the state convention from the south will travel in a special train leaving Salt Lake Tuesday morning at 7:30 o'clock Tuesday morning. Tickets will cost \$3.65 and will be good, returning, until Friday.

#### EMERY CONVENTION.

Democrats Want Prohibition, J. W. Nixon and Judge Erickson.

Huntington, Sept. 18.—The Democratic county convention in Castledale today was called to order by County Chairman B. F. Luke, assisted by George W. Fox, secretary. William J. Nixon and R. C. Miller were made temporary and permanent chairman and secretary. The following were elected delegates to the judicial convention to be held in Salt Lake City and also to attend the state convention:

William Howard and Ellen S. Brocklebank of Huntington; R. M. Miller and E. Larson of Castledale; B. F. Luke and J. K. Reid of Orangeville; L. P. Overton of Nevada; Wyatt Bryan of Ferron and C. M. Oaks of Green River; with the following alternates: J. B. Crawford of Orangeville; Kathinka Anderson of Castledale; J. W. Nixon of Castledale; John T. Olsen of Emery; Orson Barney of Clawson; Joseph Caldwell of Molen and Ole Erickson of Emery.

The following resolution was then adopted unanimously:

"We, the Democrats of Emery county, in convention assembled, hereby confirm our hearty allegiance to the platform of the national Democratic party, assembled at Denver, July 7, 1908, and hereby endorse our standard bearer, Hon. William J. Bryan, and believe that his slogan, 'The people first,' is the only one that will bring about the permanent issue in this campaign; and believe that an adoption of these principles will do the greatest good to the greatest number. We endorse the movement of the people for local option, and are ready to lend our support and efforts to state-wide prohibition. We believe in nominating for office, both locally and state and nationally, men competent to discharge their duties, and further pledge that the efforts of the Democratic party of Emery county shall be directed, last and not the least, to the best good of all the people."

The delegates were then instructed to work for a prohibition amendment to the constitution, and if they cannot get that, then to work for local option, and to instruct the legislature to pass a law making it compulsory on the proper officers to call an election in the counties, cities and towns that the people may have a chance to vote on what they want in regard to the liquor business. They were also instructed to work for the nomination of Judge Ferdinand Erickson for another term as judge of the Seventh judicial district, and also to present the name of J. W. Nixon, and stay with him for the nomination of state auditor on the state ticket.

#### Lehi Democrats.

Lehi, Sept. 20.—The Democrats held a primary last evening and elected the following delegates to the state, judicial and county conventions:

Evans, Alternates: Mrs. C. W. Earl, William Thomas, George Glover, Mrs. A. M. Davis, George Shaw, James Goates, J. S. Willes and Hyrum Anderson.

American Fork Democrats.

American Fork, Sept. 20.—The following delegates were elected to attend the respective Democratic conventions:

County convention—James H. Clarke, E. J. Clayton, Mrs. J. H. Pulley, H. S. Ralston, Roy W. Gardner, James H. Pulley, Mrs. J. W. Storrs, Peter Logsdon,

## THE SALT LAKE HERALD

LIVING COSTS NEXT TO NOTHING AT THE UNIVERSITY OF UTAH

The living expenses of a student at the university do not need to exceed \$2.50 a week, or 25 cents a day, according to the data collected by Miss Lucy Van Cott, dean of the women. A great many students are now living at this remarkably low figure and many others who are in a position to live in luxury find that they have plenty by expending a little more than this amount. The introduction of the regular board at the lunch room has made this possible, and it is receiving an exceedingly large patronage.

A good room may be secured at \$1.25 a week, including heat and light. This leaves 25 cents a day for board. Miss Van Cott figures 10 cents for breakfast, 10 cents for lunch and 15 cents for dinner. As a sample, she offers this menu:

Breakfast—Ham, eggs, plate of toast.

Lunch—Cream soup, nut and white bread; plate of fruit.

Dinner—Baked potatoes, minced beef or steak, bread and butter, ice cream and cake or fruit.

The student does not have to confine himself to this diet, as the lunch room offers a large selection. For breakfast, which is served from 7:30 to 9:30, there is tea, coffee, milk, chocolate; cereals; eggs; different stews; ham or bacon; hot and cold breads.

Lunch is ready from 11:30 to 2 in the afternoon, and it includes coffee, tea,

milk, chocolate; cream soup, ham, nut, lettuce, cheese, egg and tongue sandwiches; hot beef, fish and veal; vegetables, fruits, ice cream and cake, and home-made candy.

Dinner is served from 5 to 7 o'clock and there is a choice of coffee, tea, milk, chocolate; soup and crackers; potatoes; nut and white bread and butter; hot beef, veal and fish; vegetables, salads; fruits and cakes.

The new lunch room gives the student every advantage to live cheaply and there are a number of reasons why the food can be given him at such a low figure. First, there is no rent, then no tax is paid on the building, and the university also furnishes the light and heat. The help outside of three professional cooks is secured from students who are willing to work for their board. Another saving is the service—you are your own waiter, which eliminates a considerable expense. Although cheap, the food is the healthiest and most palatable ever ordered and prepared under the personal supervision of Miss Van Cott.

The lunch room does not only accommodate the out-of-town students, but approximately 300 other students eat lunch there every day.

The football training table is also at the lunch room, where the athletes receive an especially prepared diet.

Adolph Nielson, Mrs. Jesse Misenner, Samuel Dean, Samuel Greenwood, E. E. McBride, W. J. Shipley, Mrs. Sylvia Shipley, M. E. Bizzell, J. L. Pinnard, Mrs. A. Nielson, J. J. Mercer, Alternates: Jacob Greenwood, William S. Storrs, B. Y. Greenwood, E. B. Hays, J. H. Greenwood, Elijah Cutler, Mrs. S. Y. Greenwood, A. W. Miller, Mrs. B. Y. Greenwood, J. H. Storrs.

State convention—Jesse S. Misenner, Miss Ida Chipman, Jacob Greenwood, Alternates: J. Mercer, Mrs. Jesse Misenner, Peter Logsdon, J. H. Storrs, J. W. Walker, Stephen D. Woods.

Judicial convention—W. Storrs, E. J. Clayton, B. Y. Greenwood, E. E. McBride, Adolph Nielson, Samuel Dean, Alternates: Mrs. J. H. Pulley, Mrs. Robert Walker, Jesse Misenner, precinct secretary, and Jacob Greenwood, George H. Webb.

E. E. McBride was nominated for precinct justice and George H. Webb was nominated for precinct constable.

J. Clayton was nominated for precinct chairman, Jesse Misenner, precinct secretary, and Roy W. Gardner, treasurer.

#### Monroe Primary.

Monroe, Sept. 18.—A rousing Democratic primary was held last night in the city hall. Bert Tuft was chosen to conduct the campaign this fall, with George W. Anderson as secretary. State delegates were chosen to attend the state convention. The delegates chosen to go to Logan were: Hans Tuft, George W. Anderson, R. A. Lowe, with Don Hodges and J. H. Lowe as alternates.

The following were named as delegates to attend the county convention at Richfield: Bert Tuft, Lucian Winget, Ole Michelson, Luther Winget, C. A. Winget, C. Peterson, George W. Anderson, John F. Webb, sr., Edward Nasser and Don Hodges. The delegates are working hard to get the nomination for county commissioner and for Ole Michelson for treasurer.

Erastus Johnson, who has been working for justice of the peace and August Peterson for constable.

#### Utah County Politics.

The friends of Judge J. W. N. White, who is running for the nomination for the Fourth judicial district, have been successful in entering the race. He is the best man. Andrew Morgan is being talked of by his friends as a candidate for the Oregon Short Line, and has a reputation and stands well in the Democratic ranks.

First ward Democratic primary passed a resolution instructing delegates to the county and state conventions to work for the nomination of J. W. N. White for the county and state platforms.

A Bryan club will be organized in the near future in Provo. A committee has been appointed, consisting of L. A. Smoot, Bert Thurman, Hyrum F. Thomas, Julius Anderson and J. David Larson, to take the necessary steps.

Thomas Williams, the present city marshal of Provo, has been mentioned as a candidate for the shrievalty of Utah county. Joseph Lovelless and Myron have been suggested as candidates for the office. Mr. Lovelless is chief of the fire department and Mr. Newell is a member of the city council.

Elmer E. Corfman of Provo will most likely be the candidate accepted by the Democratic convention as judge of the Fourth judicial district. He is a well known as a lawyer of ability and experience. His friends predict success for him. The convention will be held Monday.

Grant Bagley has been spoken of as a candidate for the shrievalty of Utah county on the Democratic ticket in Utah county. A lively fight is scheduled when the primaries are held in the Republican ward of the Fifth ward. Elias Gee, the present county clerk, is out for renomination. Mark Karchner, chief clerk of the same office, is also a candidate. An effort is being made by both factions to pack the primaries and a usual "fifth ward squabble" will ensue.

It is stated on good authority that Jesse M. Harmon will be the choice of the Republican county convention for shrievalty. Mr. Harmon has occupied the chair for two terms. George Judd and Alma Hales, his deputies, are both out for the nomination, but it is understood they will not get the support of the Republican state makers.

## GETTING INTO SHAPE AT FAIR GROUNDS

New Building Is Completed and Improvements Are Being Made at Race Track.

As opening day at the Utah state fair is drawing near no time is being lost in getting the grounds in shape for the visiting crowds and in arranging the building for the exhibits.

There were a few workmen at work at the fair grounds yesterday. Some were engaged upon the improvements at the race track and others were busied with the task of putting up booths in the main exhibition hall.

The new building for the officers of the fair association and for the exhibits of artistic needle work has been completed. It is back of the main exhibition hall and is connected with the big building.

Exhibitors have not yet commenced to put their displays in place, but are devoting their time to getting the space allotted to them in readiness.

Some of the horses which will compete for the purses at the races during the fair have arrived and are being exercised daily at the track. A few of the prospective winners were out yesterday, but most of the owners were contented to have their stallions give their horses a little exercise and keep them in condition.

R. W. Brown has two trotting mares, stable on the grounds. They are Albion, 2:25, and Foxy Togo, 2:29.

N. M. Hamilton will race Lizzie Pigstaff, 2:25, and Queen Glory, 2:25, both trotters being now at the track.

John Butterworth has Consuelo, 2:25; Willet, 2:25; Browning, a green trotter, and three other horses. It is probable that he will enter only Consuelo, Willet and Browning in the races.

W. H. Woodring of Bingham has sent the fast trotters to the track. They are Oveta, 2:12, and Kangaroo, 2:17.

The only running horses that have arrived at the track are the stable of Joe and John Natress. Judge Thomas, who has the world's record for a quarter-mile sprint, is the star of the bunch. Loafer and Miss Foy are the others.

Sam Powell's Rajah is being taken to the track daily for exercise.

The exterior decorations of the main exhibition hall will be completed before the opening of the fair and will add greatly to the appearance of the building.

#### AMUSEMENTS.

The week's bill at the Orpheum is exceptionally well balanced. From every point of view. Throughout the entire program there is not an act that drags, and the night audience gave ample evidence that the bill was thoroughly appreciated. The headline act, "Lasky's 'A Night on the Beach,'" is beautifully staged and most cleverly stage-managed. The musical numbers of the act, sung by O'Malley Jennings, Lillian Linn, Lillian Newman and Viola Vallieres, are exceptionally catchy, and everybody in town will be whistling "Back to the City" before the week is over. The audience was loath to let Katie Barry go, and she was forced to sing a few after verses of "Henry Brown." The man who sings to her from the upstairs box has absolutely no voice, but he carries the stunt through with a screamingly funny makeup and clever cockney delineations.

Coyne and Tinker are one of the best acts of the local boards. Their act runs as smoothly as possible and they do the most astonishing feats of balancing with no apparent effort. Frank Mostyn Kelley and Albert Green appear in a very clever little play called "Tom and Jerry." Mr. Kelley gives a clever delineation of a quiet rouse and is refreshingly natural.

The stage setting for the act showed care and attention to detail, and as a result the stage looked like a real room in which people live. Lew Hawkins, who appears in blackface, has a clever monologue, and his jokes have not begun to show signs of extreme old age. The orchestra was very bad and detracted somewhat from the enjoyment of the musical numbers.

This was especially noticeable during the act done by May and Flora Hengler, who are clever and graceful dancers, but who cannot sing. The moving pictures shown this week are neither clever nor interesting.

This is the closing week of the stock company at the Grand, and it must be said, in justice to Mr. Jossey and his associates, that their last performance, one of the most creditable of the season, "Under Two Flags" is the piece, and it is presented in excellent form. The acts of the play have been realistically staged. Particularly good is the scene depicting the famous old cigarette makers' strike.

Miss Keating is playing Cigarette and the characterization is excellent. The acting is good, and the other members of the company are well placed. For players who have never seen "Under Two Flags," the stage setting is a masterpiece. It is probably Ouida's greatest work and has few equals among stories of love and adventure. The scenes are thrilling, exciting and sensational, and the story runs swiftly and with ingenious developments. For those who have seen the piece, the evening at the Grand this week will prove enjoyable, as well as it being presented. The annual stock company production of the old-time melodrama that made the Grand one of the best paying houses in the west.

#### SERVICES AT TABERNACLE.

Exposition of Mormon Doctrine by Three Speakers.

Three speakers addressed the congregation in the tabernacle yesterday. They were R. W. Young, Apostle John Henry Smith and E. T. Tanner. All of the speakers devoted their remarks to the subject of the origin of the Mormon church with reference to divinity, and drew lessons from the Book of Mormon.

The tabernacle yesterday contained an unusual number of tourists, who were drawn there by the speakers. The organ and the singing of the choir were revelations to most of them.

Hyomei Cured Bronchial Catarrh After He Had Given Up in Despair.

"For many years I have been a sufferer from bronchial catarrh, and had despaired of anything but a cure. Judge of my pleasant surprise when I first used Hyomei, which brought complete relief. Hyomei has been a veritable godsend."—Rev. Charles Hartley, Sardinia, Ohio.

There are many readers of The Herald who are suffering from catarrh, either nasal or bronchial. Many of these despair of ever being cured. They have soaked their stomachs with rostrums until they are disgusted with all medicines, and are traveling the miserable way, allowing the devilish germs of catarrh to sap them of their health, energy and vitality.

But let us reason together. F. C. Schramm's drug is a genuine, tested remedy for catarrh, croup, bronchitis, croup and all inflammatory diseases of the nose, throat and bronchial tubes. The name of this remarkable remedy is Hyomei, and if it doesn't cure, F. C. Schramm will give you your money back.

Hyomei (pronounced High-yo-me) is medicated air; you just breathe it through the inhaler over the inflamed and germ-ridden membrane, and the soothing antiseptic properties will slay the inflammation, destroy the germs, and restore the entire respiratory tract to its normal condition.

A complete Hyomei outfit, including a hard rubber inhaler, costs but \$1.00, and an extra bottle of Hyomei, if afterwards needed, costs but 50 cents. See F. C. Schramm about it today.
